

**UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF OHIO  
EASTERN DIVISION**

**IN RE: E. I. DU PONT DE  
NEMOURS AND COMPANY C-8  
PERSONAL INJURY LITIGATION**

**Case No. 2:13-md-2433**

**JUDGE EDMUND A. SARGUS, JR.  
MAGISTRATE JUDGE ELIZABETH  
P. DEAVERS**

This document relates to: **ALL ACTIONS.**

**STATUS REPORT**

The parties respectfully submit the following Joint Status Report.

The Master Settlement Agreement (“MSA”) was signed and executed by all parties on March 31, 2017. The Court-appointed Claims Administrator, Daniel Balhoff, Esq., is currently accepting and reviewing Claims Packages submitted by participating claimants and issuing individual settlement awards.

Providio LLC, the Court-appointed Lien Administrator, has been retained by the PSC to determine, negotiate, and resolve any governmental and/or private medical liens relating to the claims of the settling plaintiffs, and is in the process of performing its work in this regard.

On July 6, 2017, the MSA Effective Date was triggered when the parties agreed that the confidential required participation thresholds had been met. As of September 1, 2017, DuPont has caused the Total Settlement Payment under the MSA to be deposited into the Qualified Settlement Funds pursuant to the MSA.

The PSC believes that at this time a case management conference is necessary to address the following issues: (1) outline and describe the process of claims administration and lien resolution going forward; (2) set a hearing date for the motions to be relieved as counsel that

have been filed; and (3) identify a plan to move forward for the plaintiffs that have elected not to participate in the MSA.
